JOIN THE '225 BOILER CLUB' TO HELP No. 6880 STEAM DURING 2018

The Betton Grange Society is building the 81st 'Grange' after all members of the class were scrapped at the end of BR steam days.

The chassis is on the way to completion after delivery of the new cylinders in February 2015, now we need your help to get the boiler overhauled. The good news is that the boiler destined for No. 6880, last used by 'Hall' No. 7927 *Willington Hall*, was new in 1960 and has never had a heavy general repair..

It is estimated that £225,000 will see the boiler returned to main line steaming condition and ready to complete the vision of a brand new Collett 'Grange'.

Please make any donation you are able to or join our '225 Boiler Club' to become part of this exciting project and receive a number of special benefits. Or you can consider joining our **PREMIER** or **EXCLUSIVE 225 CLUBS** – see details opposite.
