Adopt a NEVERWAZZA GRANGE - HERE WE GO AGAIN

Thank you for considering a donation to 6880 Betton Grange.

In 1939 the next 20 Batch of Granges were due to be built, however due to the War this never happened. The GWR had, however, allocated the names for this next batch and when it was decided in preservation to build a new Grange , the next alphabetically named Grange would have been 6880 Betton Grange, so this was chosen. Our first appeal was so successful that all names were snapped up so quickly! It came to light that a further 57 names were chosen but no allocated locomotive numbers. I suspect that the numbers for the modified halls may have been used if they had been built, but as we cannot use those numbers, I have decided to allocate the unknown granges to the number 8800- 8856, so to extend the appeal for a bit of fun, I use the Here we Go Again!
If we succeed in getting AI to recreate what a 8800 to 8856 would have looked like, you will get a unique photo of this Grange!
However, you will receive a fridge Magnet with the smoke-box number and a plaque to commemorate your donation will be placed on the locomotive or tender. Your name will be included in the roll of honour. All the names and places are listed here, so choose a familiar name or place for this unique bit of fun and then donate or pledge just £500
